801-794-3970

After Hours:
1-888-EPI-UTAH

DISEASES WITH THE TELEPHONE SYMBOL  MUST BE REPORTED WITHIN 24 HOURS OF A SUSPECT DIAGNOSIS. All other diseases should be reported within 3 working days after identification.

- Acinetobacter – carbapenem resistant or carbapenemase producing
- Acute Flaccid Myelitis (AFM)
- Anaplasmosis
- **Anthrax ** – or Anthrax-like illness by *Bacillus cereus* strains causing anthrax toxin
- Arbovirus infection – including Chikungunya, West Nile, Zika viruses
- Babesiosis
- Borrelia infections – tick- or louse-borne
- **Botulism **
- Botulism – infant
- Brucellosis
- Campylobacteriosis
- Candida auris or haemulonii – any body site
- Carbapenem-resistant – *Acinetobacter*, *E. coli*, *Enterobacter*, *Klebsiella*, & *P. aeruginosa*
- Carbapenemase-producing organisms
- Chagas disease
- Chancroid – *Haemophilus ducreyi*
- Chickenpox – *Varicella zoster virus*
- Chikungunya
- Chlamydia
- **Cholera ** - *Vibrio Cholerae*
- Coccidioidomycosis
- Colorado Tick Fever
- Coronavirus (COVID-19)
- **Creutzfeldt-Jakob disease **
- Cryptosporidiosis
- Cyclosporiasis
- Dengue fever
- **Diphtheria **
- **Ebola **
- *E. coli* (non-STEC) – carbapenem resistant or carbapenemase producing
- *E. coli* (STEC) – Shiga toxin-producing
- Ehrlichiosis
- Encephalitis – viral, bacterial, fungal
- Enterobacter – carbapenem resistant or carbapenemase producing
- Giardiasis
- Gonorrhea – STI & ophthalmia neonatorum
- **Haemophilus influenzae **
- Hantavirus
- Hansen’s Disease (Leprosy)
- Hemolytic Uremic Syndrome – post diarrheal
- **Hepatitis A **
- Hepatitis B – acute, chronic & perinatal
- Hepatitis C – acute, chronic & perinatal
- Hepatitis D, E, & Other
- HIV – including perinatal & AIDS diagnosis
- **Influenza ** (Novel) – Non-seasonal strain
- Influenza-associated hospitalization
- Influenza-associated pediatric death
- *Klebsiella* – carbapenem resistant or carbapenemase producing
- **Lassa virus **
- Legionellosis
- Leprosy (Hansen’s Disease)
- Leptospirosis
- Listeriosis
- Lyme disease
- Malaria – *Plasmodium*
- **Marburg virus **
- **Measles **
- Meningitis – viral, bacterial, fungal
- **Meningococcal disease **
- **Middle East Respiratory Syndrome **
- Mumps
- Mycobacteria other than TB
- **Mycobacterium complex ** (TB)
- **Neisseria meningitidis **
- **Nipah virus **
- Pertussis
- **Plague ** - *Yersinia Pestis*
- **Poliomyelitis ** paralytic & non-paralytic
- *Pseudomonas aeruginosa* – carbapenem resistant or carbapenemase producing
- Psittacosis
- Q Fever – *Coxiella burnetii*
- **Rabies ** – human & animal
- Relapsing Fever (Borrelia)
- Rocky Mountain Spotted Fever
- **Rubella ** – excluding congenital syndrome
- Rubella – congenital syndrome
- Salmonellosis – non-typhi, non-paratyphi
- **Salmonella typhi & paratyphi **
- **SARS ** (Severe Acute Respiratory Syndrome)
- Shiga toxin-producing *E. coli* (STEC)
- Shigellosis
- **Smallpox **
- Smallpox vaccination adverse event
- Spotted fever rickettsioses
- **Staph aureus vancomycin resistant **
- Streptococcal – isolated in normally sterile site
 - Group A
 - Group B
 - Pneumoniae
 - Other
- Syphilis – all stages, congenital, & stillbirths
- Tetanus – *Clostridium tetani*
- Toxic-Shock Syndrome – staph or strep
- **Transmissible spongiform ** encephalopathies – prion diseases – CJD
- Trichinellosis
- **Tuberculosis **
- **Tularemia **
- **Typhoid ** – cases & carriers
- **Vibriosis Cholera **
- Vibriosis non-cholera
- **Viral hemorrhagic fevers **
- West Nile Virus
- **Yellow Fever **
- Zika Virus

ALSO REPORTABLE

- **Pregnancies** associated with the following diseases, even if the disease was reported to public health prior to the pregnancy:
 - Hepatitis B ▪ Hepatitis C ▪ HIV ▪ Listeria ▪ Rubella ▪ Syphilis ▪ Zika virus infection
- **Any** exposure or infection that may indicate a bioterrorism event
- **Any** unusual diseases or outbreaks

NOTE

A completed morbidity form (page 2) may be mailed, emailed*, faxed, or called in (voice mail is confidential).

*Email reports should be sent encrypted through a secure mail system. Unencrypted reports risk breach of confidentiality.
